Title: Decision – Hitech Car no. 8 Protest

Enclosed: Letter of Protest from Hitech

Received on 18 January 2026 at 16:18 (see attached)

The Stewards, having received the Protest from Hitech held a hearing on 18 January 2026 at 20:45 with the following persons present:

For Hitech:

Team Manager – Dominic Stott

The claims of Hitech lifted verbatim from their Protest Letter:

The result published at 15:54 shows only 12 laps completed by the Leader. The leader, in their opinion, completed the full race distance (14 laps) of 28 minutes + 1 lap before the red flag was shown. According to Sporting Regulation 42.2, the race is deemed to have finished when the leader crosses the Line at full distance.

Note: The Sporting Regulation quoted refers to the UAE4 Series Sporting Regulations.

Conclusion of the Stewards:

1. The Stewards consider that the protest as admissible.
2. Article 42.2 as it reads in the UAE4 Series Sporting Regulations states "Should for any reason the end-of-race signal be given before the leading car completes the scheduled duration, the race will be deemed to have finished when the leading car last crossed the Line before the signal was given. Should the end-of-race signal be delayed for any reason,
the race will be deemed to have finished when it should have finished".

The quoted article, in the opinion of the Stewards, refers to a scenario where the end of race signal was either given prematurely (before the leading car completes the scheduled duration) OR late/delayed (Should the end-of-race signal be delayed for any reason...)

3. The accurate description of what has transpired in Race 3 is that 22 cars out of 38 have crossed the Control Line / Checkered Flag on the final lap (lap 14) when an incident at Turn 7 resulted in the Race Director declaring a red flag.
4. Due to this, the Stewards acknowledge that Article 42.2, as quoted by Hitech does not apply as the full race distance has actually taken place (contrary to a premature or delayed display of end-of-race signal scenario referred to in Article 42.2) and instead,

because of the non-resumption of the race session, Article 41.8 is the appropriate Article that applies, and it reads "If the race cannot be resumed the results will be taken at the end of the penultimate lap before the lap during which the signal to suspend the race was given.

Decision:

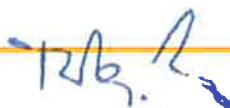

Classification for Race 3 remains as indicated in the Provisional Results for Race 3 referring to Lap 12.

Accordingly, the Protest is dismissed. The protest fee is forfeited.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 13.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
